

Our Men's Ministry (aka Men of Armor) serves the needs of men of all ages, ethnicities and walks of life. Men of Armor creates opportunities for men to study God's Word, serve the community and build relationships with other men. In addition, the ministry has an arm to mentor younger boys who may or may not have a father in the home.

Please check back for more information or join us every 2nd Saturday @ 8am for our men's study and fellowship.
