## **About Our Celebration**

Union Baptist Church, aka UBC was founded by the late John T. Walker in 1949. For 75 years, the church has served the metro Denver community and its surrounding areas. While our rich history has created the establishment that we've become, we are dedicating this milestone anniversary to a season of service. As each member donates \$75 and dedicates 75 minutes of individual service to a collective goal, we are believing God will multiply our efforts to bless those in need. Our greatest example is from Jesus as he came to serve and not to be served (Matthew 20:28). We believe this intentional focus on service will touch the hearts of other organizations and individuals to join our celebration and devote 75 minutes to a service cause, as well as donate monetarily so we can extend our service mission beyond our walls. You can GIVE and let us know that you are participating in our season of service by visiting our website at www.ubcdenver.org. Yes, UBC is "Still Serving @ Seventy-Five". Won't you join us?
